Product Description

Woods BW10.72 Batwing Rotary Cutter

Rotary cutter owners and operators rated Woods® Batwing® cutter the #1 flex-wing cutter for cut quality in a blind study of the major brands in the category. The one and only since 1963, Woods® Batwing® cutter delivers unmatched cut quality, includes exclusive features for easy maintenance and tractor connection, and is backed by a 10-year gearbox warranty which includes parts, labor, and seals.

Additional Features

1. Woods® Level Lock™ Technology ensures a more level cut height across rugged terrain. (patent pending)
 2. Optional Cut Height Indicator allows the operator to mark a desired cut height before mowing and readjust from the cab as needed for a more even cut.
 3. The Woods Exclusive Smartlift™ System holds your 80lb PTO driveline, allowing you to connect easily and disconnect from the tractor.
 4. Large Blade Access Window for easy blade maintenance from the top of the deck.
 5. The Hose Holder holds hoses closer to the hydraulic remotes clear of the PTO shaft and tractor tires.
 6. Thumbscrew Dipstick quickly and easily check gearbox oil.
 7. The PTO Lock Collar holds the PTO collar back for easier tractor connection.
 8. Magnetic Driveline Shields lift to service gearbox.
 9. Aligned Grease Points easily find and service grease points.
