Product Description

Woods DHS48 Disc Harrow

Tackle Tough Conditions

Optional mud scrapers prevent clogging for increased productivity in challenging conditions.

Prepare Optimal Seed Bed

Our unique tapered frame design balances individual disc gangs and only requires removing a single pin for easy disc angle adjustments. Quickly change your disc angle for more or less aggressive tillage to match your ideal seed bed.

- Rugged, high-strength steel frame and gangs mean years of worry-free performance
 - Notched blades cut into the dirt
 - Independent disc blade gangs adjust easily with one pin
 - Heavy down force makes each blade dig deeper, work harder in one pass
 - Quick-hitch compatible
 - Mud scrapers that prevent clogging, increase productivity
 - Furrow fillers
-
