Product Description

Woods GS96.40 96" Grading Scraper

Easy Connection

Engineered Quick-Hitch Ready from the factory. No additional hardware is required to use your quick hitch, so you can get in the field and get to work.

Durability

Heavy-duty saddle scarifier mounting, approachable leading edges and structural reinforcements keeps Woods scrapers stronger for longer.

Versatility

Available in a variety of widths and up to 16" box height.

Additional Features

1. Engineered Quick-Hitch Ready from the factory. No additional hardware is required to use your quick hitch, so you can get in the field and get to work.
 2. Reinforced Steel A-Frame Design for easy attachment and durability.
 3. High-strength Moldboards for tackling rugged jobs.
 4. Adjustable Scarifier Teeth with replaceable tips for durability and versatility.
 5. High-carbon Reversible/Replaceable Cutting Edges for versatility and a level finish.
 6. 1/4" Plate Welded Inside End Plates to increase life on professional models.
