Product Description

Woods LRS72 Standard Landscape Rake

Durability

Large, structural tine beam channel holds alloy spring steel tines firmly.

Versatility

Fine raking features allow for light-duty lawn care to general maintenance projects.

Additional Features:

1. Easy Connection Optional Parking Stand is available for added convenience. Holds the unit upright and level to allow for an easier connection.
 2. Heavy Pivot Components for increased longevity.
 3. Optional Gauge Wheels for better depth control.
